

**YOU'RE
60!**

It has been nearly **60 years** since the establishment of **Mount Royal United Church** in the New West End of Moncton. We think that is pretty special and we have planned lots of things to help us celebrate. So ... whether you attend Mount Royal regularly or you were part of our church family at one time, we want to welcome you to join us as many times as you can during 2019 - the year we celebrate our 60th Anniversary.
